Additional Disclosures and Notes Pursuant to Section 289a and Section 315a *HGB*

1. Composition of issued capital

As of the end of the reporting period, the issued capital of the company amounted to €512,015,308.80 (PY: €512,015,316.48) and is divided into 200,005,980 (PY: 200,005,983) no-par-value shares. The issued capital decreased year-on-year by €7.68 (three treasury shares). These shares are, without exception, common shares; different classes of shares have not been issued and have not been provided for in the Articles of Incorporation. Each share, with the exception of treasury shares, bears voting and dividend rights from the time it is issued. Each share, with the exception of treasury shares, entitles the holder to one vote at a Shareholders' Meeting (Article 20 (1) of the Articles of Incorporation). There are no shares with privileges.

2. Restrictions on voting rights or transfer options

Restrictions relating to voting rights or the transfer of the company's shares are not known to the Executive Board.

3. Shareholdings exceeding 10% of voting rights

For details of the equity interests exceeding 10% of the voting rights (reported level of equity interest), please refer to the notice in accordance with the German Securities Trading Act (*Wertpapierhandelsgesetz - WpHG*) under Note 43 to the consolidated financial statements, and to the notes to the separate financial statements of Continental AG.

4. Bearers of shares with privileges

There are no shares with privileges granting control.

5. Type of voting right control for employee shareholdings

6. Provisions for the appointment and dismissal of members of the Executive Board and for the amendment of the Articles of Incorporation

- a) In accordance with the Articles of Incorporation, the Executive Board consists of at least two members; beyond this the number of members of the Executive Board is determined by the

Supervisory Board. Members of the Executive Board are appointed and dismissed in accordance with Section 84 of the German Stock Corporation Act (*Aktiengesetz - AktG*) in conjunction with Section 31 of the German Co-determination Act (*Mitbestimmungsgesetz - MitbestG*). In line with this, the Supervisory Board is responsible for the appointment and dismissal of members of the Executive Board. It passes decisions with a majority of two-thirds of its members. If this majority is not reached in the event of an appointment, the so-called Mediation Committee must submit a nomination to the Supervisory Board for the appointment within one month of voting. Other nominations can also be submitted to the Supervisory Board in addition to the Mediation Committee's nomination. A simple majority of the votes is sufficient when voting on these nominations submitted to the Supervisory Board. In the event that voting results in a tie, a new vote takes place in which the chairman of the Supervisory Board has the casting vote in accordance with Section 31 (4) *MitbestG*.

- b) Amendments to the Articles of Incorporation are made by the Shareholders' Meeting. In Article 20 (3) of the Articles of Incorporation, the Shareholders' Meeting has exercised the option granted in Section 179 (1) Sentence 2 *AktG* to confer on the Supervisory Board the power to make amendments affecting only the wording of the Articles of Incorporation.

In accordance with Article 20 (2) of the Articles of Incorporation, resolutions of the Shareholders' Meeting to amend the Articles of Incorporation are usually adopted by a simple majority and, insofar as a capital majority is required, by a simple majority of the capital represented unless otherwise stipulated by mandatory law or particular provisions of the Articles of Incorporation. The law prescribes a mandatory majority of three-quarters of the share capital represented when resolutions are made, for example, for amendments to the Articles of Incorporation involving substantial capital measures, such as resolutions concerning the creation of authorized or contingent capital.

7. Authorizations of the Executive Board, particularly with regard to its options for issuing or withdrawing shares

- a) The Executive Board can issue new shares only on the basis of resolutions by the Shareholders' Meeting. As at the end of the reporting period, the Executive Board had not been authorized to issue new shares in connection with a capital increase (authorized capital) or to issue convertible bonds, warrant-linked bonds, or other financial instruments that could entitle the bearers to subscribe to new shares.
- b) The Executive Board may only buy back shares under the conditions codified in Section 71 *AktG*. The Shareholders' Meeting has not authorized the Executive Board to acquire treasury shares in line with Section 71 (1) No. 8 *AktG*.

8. Material agreements of the company subject to a change of control following a takeover bid and their consequences

The following material agreements are subject to a change of control at Continental AG:

- a) The agreement concluded on December 3, 2019, for a syndicated revolving credit facility of €4.0 billion grants each creditor the right to terminate the agreement prematurely and to demand repayment of the loans granted by it if one person or several persons acting in concert acquire control of Continental AG and subsequent negotiations concerning a continuation of the loan do not lead to an agreement. The term "control" is defined as the holding of more than 50% of the voting rights or if Continental AG concludes a domination agreement as defined under Section 291 *AktG* with Continental AG as the company dominated.
- b) The bonds issued by Continental AG in September 2019 at a nominal amount of €500 million and €600 million and the bond issued by Continental AG in October 2019 at a nominal amount of €100 million, as well as both of the bonds issued in May 2020 by Continental AG and a subsidiary of Continental AG, Conti-Gummi Finance B.V., at €750 million each and the bond issued by Conti-Gummi Finance B.V. in June 2020 at €625 million, entitle each bondholder to demand that the respective issuer redeem or acquire the bonds held by the bondholder at a price established in the bond conditions in the event of a change of control at Continental AG. The bond conditions define a change of control as the sale of all or substantially all of the company's assets to third parties that are not affiliated with the company, or as one person or several persons acting in concert, pursuant to Section 2 (5) of the German Takeover Act (*Wertpapiererwerbs- und Übernahmegesetz - WpÜG*), holding more than 50% of the voting rights in Continental AG by means of acquisition or as a result of a merger or other form of combination with the participation of Continental AG.

If a change of control occurs as described in the agreements above and a contractual partner or bondholder exercises its respective rights, it is possible that required follow-up financing may not be approved under the existing conditions, which could therefore lead to higher financing costs.

- c) In 1996, Compagnie Financière Michelin SCmA, Granges-Paccot, Switzerland, and Continental AG founded MC Projects B.V., Maastricht, Netherlands, with each owning 50%. Michelin contributed the rights to the Uniroyal brand for Europe to the company. MC Projects B.V. licenses these rights to Continental. According to the agreements, this license can be terminated without notice if a major competitor in the tire business acquires more than 50% of the voting rights of Continental. In this case, Michelin also has the right to acquire a majority in MC Projects B.V. and to have MC Projects B.V. increase its minority stake in the manufacturing company of Continental Barum s.r.o., Otrokovice, Czechia, to 51%. In the case of such a change of control and the exercise of these rights, there could be losses in sales of the Tires business area and a reduction in the production capacity available to this business area.

9. Compensation agreements of the company with members of the Executive Board or employees in the event of a takeover bid

No compensation agreements have been concluded between the company and the members of the Executive Board or employees providing in the event of a takeover bid.
